

How to Use this Directory

This directory is restricted access to those who have supported *Aspals* financially or through the provision of written or other materials. Access to the *Aspals* database includes the cases folder and the documents sub-folder.

The directory contains a list of reference documents summarised below, contained in the *Aspals* database, some of which are not specifically listed on the site, together with a short description of their content. This file can be read by anyone opening it. Provided you have a password and username to the *Aspals* Cases directory, you can directly link from here to any of the referenced files. If you experience any difficulties, please contact us with your username and password.
